NOTICE OF TIMBER SALE (Pay-As-Cut/Clearcut)

White & McCrae
KARO WHITE ROAD TRACT
Merry Hill Township
Bertie County, NC

As agents for the owners, we are proud to offer for sale the timber on the following described tract.

LOCATION:

This tract is located approximately two miles south of Merry Hill, NC on both sides of Karo White Road (SR 1506). Reference is made to the attached location map, sketch map, and aerial photograph for a more complete description.

SALE DATE: 22 October 2024 – 11:00 am at the office of Timberlands.

DESCRIPTION:

Acreage: 61 Acres (+/-)

Access: Directly off Karo White Road (SR 1506) as shown on the attached aerial photograph and sketch map.

Timber: The timber is a mature pine plantation with scattered pockets of mixed hardwood. The timber consists of a mix of pine sawtimber and hardwood sawtimber (mostly sweetgum, maple & red oak). Overall quality is good.

Boundaries: The timber sale boundaries can be identified by **BLUE, ORANGE and RED paint**, fields, and state roads. Refer to attached sketch map for further clarification.

Harvest: All merchantable timber is to be sold and cut within the sale area as shown in **GREEN** on the attached aerial photograph.

TIMBER SALE NOTICE cont...

White & McCrae
KARO WHITE ROAD TRACT
Merry Hill Township
Bertie County, NC

GENERAL SALE CONDITIONS:

1. Private negotiated written offers may be **mailed, e-mailed, or delivered** to Timberlands Unlimited at 305 S. King Street in Windsor, NC as **soon as possible**, but **no later than Tuesday, October 22, 2024** at 11:00 a.m. **This is not a sealed bid type sale.** All negotiated and submitted written offers will be kept confidential and shared only between the sellers and the undersigned. Please utilize the attached bid sheet.
2. **Terms:** This is a pay-as-cut timber sale. Settlement checks and stumpage summary sheets are due on a weekly schedule on a pay-as-cut basis. The buyer will submit a check with each weekly stumpage settlement summary. All log scale tickets and individual load weight tickets will accompany each stumpage settlement summary and will be submitted to Timberlands Unlimited on a weekly basis within seven working days after the week ending date. **All checks will be made payable to the owners** as directed by Timberlands.
3. A \$30,000 non-refundable advance deposit payable to the sellers will be due at time of closing. Once harvesting begins, the advance deposit will be credited against the stumpage settlement(s).
4. Twenty-four months (24) will be provided to cut and remove all the timber within the sale area.
5. A chipper is **required** for the harvest of this tract.
6. No tops are to be left in the open areas or drainage ditches. All tract roads/paths shall be maintained and left in as good of condition as found. The buyer will be required to meet all BMP/water quality standards, and successful buyer assumes all liability under existing laws and conditions. The **RED & ORANGE paint** may not be crossed. The **BLUE paint** may be crossed a single time for harvesting purposes(see paragraph #9).
7. All merchantable timber in the sale area is to be sold/cut in preparation for reforestation.

GENERAL SALE CONDITIONS cont...

8. The successful buyer is required to notify Timberlands Unlimited within 48 hours prior to the beginning of any and all timber harvesting activities.
9. There is a large ditch that is located on the east side of the Karo White Road that runs through the sale area. This ditch has been identified with BLUE paint. For timber harvesting purposes, this ditch and the blue paint may be crossed in one location at the discretion of the buyer. The crossing site must remain in compliance with the NC Forestry Best Management Practices during and after the harvest.
10. There are existing hunting trails that have been established by the owners throughout the sale area. Crossing these trails will be necessary during the timber harvest. Do not use the trails for skidding/pull paths. Keep the existing trails as clean as possible.
11. Forestry Best Management Practices. The successful buyer shall follow good and accepted forestry practices generally and usually followed in the cutting and removing of the timber, and shall have the right to take all actions upon the property, which are consistent with good forestry practices and reasonably necessary to the cutting of timber. Buyer shall comply with the procedures and practices known as “Best Management Practices” as identified in the publication of the NC Division of Forest Resources or other applicable State Agencies, as hereinafter amended or revised (“BMPs”), and buyer agrees that it will comply with any and all federal, state and local laws and ordinances, rules and regulations including laws relating to the environment and/or the handling, treatment, storage and disposal of hazardous substances, including all petroleum products.
12. Buyer shall observe Best Management Practices and applicable River Basin Rules, abide by North Carolina statutes on stream obstruction, water quality and sedimentation and refrain from depositing any hazardous wastes on the premises. Buyer shall hold Seller harmless from any noncompliance with the foregoing conditions and for any claim, injury or damages of any third party (including agents and employees of Buyer and its contract (logger) arising from any activities conducted on the premises by Buyer.
13. The buyer may be required to utilize the Timberlands timber security register and log truck tagging system in order to assist with stumpage accountability.
14. Sellers and Seller’s Agent has provided information about the property solely for the convenience of the prospective buyer and does not guarantee or warrant map scale or accuracy, timber stand information, acreage estimates, number of trees, timber volumes, or any other information.
