NOTICE OF TIMBER SALE (Pay-As-Cut/Clearcut)

**Jones / Kitchen Tract
Murfreesboro Township
Hertford County, NC**

As agents for the owner, we are proud to offer for sale the timber on the following described tract.

LOCATION:

This tract is located directly adjacent to the city limits of Murfreesboro, NC on the south side of NC Hwy 158 Business. Reference is made to the attached location map, sketch map, and aerial photograph for a more complete description.

SALE DATE: 19 May 2026 at 11am at the Timberlands Office.

DESCRIPTION:

Acreage: 64 Acres (+/-)

Access: Adequate. Through an existing farm path off NC Hwy 158 Business as shown on the attached aerial photograph and sketch map.

Timber: There is a good mix of loblolly pine sawtimber, chip-n-saw and pulpwood with scattered mixed hardwood consisting of both sawtimber and pulpwood. Overall quality is good.

Boundaries: The timber sale boundaries can be identified by **RED and BLUE paint**, SMZs, and field edges. Refer to attached sketch map for further clarification.

Cruise: A single, high percentage cruise was conducted on all the merchantable timber located within the sale area. The timber information is attached. Pine and hardwood was tallied to a minimum diameter (DBH) of 6 inches. All pine products and hardwood pulpwood are quoted in tons.

TIMBER SALE NOTICE cont...

Jones / Kitchen Tract
Murfreesboro Township
Hertford County, NC

DESCRIPTION cont...

Harvest: All merchantable timber is to be sold and cut within the sale area as shown in **GREEN** on the attached aerial photograph. No **RED** or **BLUE** painted trees are to be sold/cut. Refer to attached location map, sketch map, and aerial photograph.

GENERAL SALE CONDITIONS:

1. Private negotiated written offers may be **mailed, e-mailed, or delivered** to Timberlands Unlimited at 305 S. King Street in Windsor, NC or prior to **11 a.m., Tuesday, 19 May 2026**. Bids will be opened promptly at **11 a.m., Tuesday, 19 May 2026**. All submitted written offers will be kept confidential and shared only between the sellers and the undersigned. Please utilize the attached bid sheet.
2. Terms: This is a pay-as-cut timber sale. Settlement checks and stumpage summary sheets are due on a weekly schedule on a pay-as-cut basis. The buyer will submit a check with each weekly stumpage settlement summary. All log scale tickets and individual load weight tickets will accompany each stumpage settlement summary and will be submitted to Timberlands Unlimited on a weekly basis within eight working days after the week ending date. **All checks will be made payable to the owners** as directed by Timberlands.
3. A \$30,000 non-refundable advance deposit payable to the seller will be due at time of closing. Once harvesting begins, the advance deposit will be credited against the stumpage settlement(s).
4. Twenty-four months (24) will be provided to cut and remove all the timber within the sale area.
5. No tops are to be left in the fields or drainage ditches. The successful buyer will be required to meet all BMP/water quality standards, and buyer assumes all liability under existing laws and conditions. The **RED and BLUE paint** may not be crossed.
6. All merchantable timber in the sale area is to be sold / cut in preparation for reforestation. No timber of any kind is to be sold / cut outside these described boundaries.
7. Special care shall be taken by the successful buyer to maintain the existing farm path as shown on the aerial photographs and sketch map. The eastern portion of this path serves as daily access to a residence located in the "OUT" portion on the aerial photos. The path must be maintained and remain passable by a small vehicle at all times.

Murfreesboro Township
Hertford County, NC**

GENERAL SALE CONDITIONS cont...

8. The cropland has existing field borders that are grassed and well maintained. These areas are not to be utilized to pull or skid timber. The field borders must be maintained.
9. The SMZ crossing site as shown on the sketch map crosses a blue line / perennial stream. Both sides of the crossing site have steep slopes. This crossing site must be established, maintained and restored in accordance with the Best Management Practices Guidelines. Grass seed, hay bales, water bars, logging slash, etc. will most likely be needed on this site. The successful buyer is completely responsible for the use of this crossing site.
10. The existing streets (State Road 1199 and Oak Road) in the residential subdivision located on the northern side of the tract may not be used for logging access. These streets are not designed to hold heavy trucks and damage to the road surface may occur.
11. Forestry Best Management Practices. The successful buyer shall follow good and accepted forestry practices generally and usually followed in the cutting and removing of the timber, and shall have the right to take all actions upon the property, which are consistent with good forestry practices and reasonably necessary to the cutting of timber. Buyer shall comply with the procedures and practices known as "Best Management Practices" as identified in the publication of the NC Division of Forest Resources or other applicable State Agencies, as hereinafter amended or revised ("BMPs"), and buyer agrees that it will comply with any and all federal, state and local laws and ordinances, rules and regulations including laws relating to the environment and/or the handling, treatment, storage and disposal of hazardous substances, including all petroleum products.
12. The successful buyer is required to notify Timberlands Unlimited within 48 hours prior to the beginning of any and all timber harvesting activities.
13. Buyer shall observe Best Management Practices and applicable River Basin Rules, abide by North Carolina statutes on stream obstruction, water quality and sedimentation and refrain from depositing any hazardous wastes on the premises. Buyer shall hold Seller harmless from any noncompliance with the foregoing conditions and for any claim, injury or damages of any third party (including agents and employees of Buyer and its contract (logger) arising from any activities conducted on the premises by Buyer.
14. The buyer may be required to utilize the Timberlands timber security register and log truck tagging system in order to assist with stumpage accountability.
